

Open PTA Board & Committee Chair Descriptions for 2009-10

Audit Committee: We require at least 3 auditors to perform 2 audits each year: a status check in January and a final audit in July. Auditors typically spend approximately 6 to 8 hours per year completing the detailed and thorough audit requirements.

Fifth Grade Celebration: Organize and coordinate this event during the last week of school with the help of many volunteers.

Food Drive: During November, the committee will advertise the Food Drive in the PTA newsletter, set out collection bins in the hallway, and organize the items for the families.

Ink Jet Recycling Fundraiser: PTA collects and recycles used ink jet cartridges for cash! Volunteers advertise the program and organize the cartridge shipments.

Reflections: The Reflections volunteer's responsibility includes advertising the program to Green Gables students through "go-homes", collecting artwork and turning it in to the PTA council by the November deadline and displaying the artwork at the January art show.

Please return this to the PTA room or contact us at PTA@GreenGablesPTA.org.
