

The PTA Needs People like YOU

This is the time of year when the PTA board starts looking toward the next school year, and starts to form ideas of what is to come. This is also when the new board begins to take shape, and new committee chairs join the team. This is **your** chance to be a part of planning for the next year. The PTA exists so that we can work together to contribute to a great school year for all Green Gables students!

Once the year kicks off, we all work together to make the year fabulous for the kids. The PTA does this by funding and/or running programs for the kids that the school would not be able to provide otherwise. Some of these include funding class field trips, maintaining the art room, contributing to the music and PE programs, purchasing equipment for the school (i.e. elmo projectors and the Rock Wall), and contributing to the library to name just a few. These things benefit ALL the kids in our school. And they can't be done without volunteers **like you**.

Please consider giving your time to the PTA in the 2011 school year. If you have any questions, feel free to contact any of the current PTA board members - their names are listed on the Green Gables PTA website.
